

Lab Report

Name:

My Observations

Toad Habitat

Abiotic Factors -

Biotic Factors -

**How do the biotic factors depend on the
abiotic factors -**

What are some of the toad's adaptations -

Fish Habitat

Abiotic Factors -

Biotic Factors -

How do the biotic factors depend on the abiotic factors -

What are some of the fishes' adaptations -

**Can the toads live in the fishes' habitat? Why?
Why not?**

**Can the fish live in the toad's habitat? Why?
Why not?**

**Can you think of other organisms that cannot
live in the same habitat?**
